| Type                | HWCLIP16                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Color               | Black (BK)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Features & Benefits | <ul style="list-style-type: none"><li>•An innovative coupling system allows for an unlimited number of bundling combinations.</li><li>•Clips can be easily released and reused.</li><li>•Clips swivel freely which reduces mechanical stress and eliminates pinch points.</li><li>•High Impact Polyamide 6.6 material provides firm fit even in rugged conditions.</li><li>•Consists of acrylate adhesive with base of polyurethane foam allowing it to adhere firmly and easily to nearly any surface.</li></ul> |
| Quantity Per        | bag                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

|                     |                                                                                                                                                                                                                                                                                                        |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description | The Helawrap cable management system is the flexible routing and protection solution for industrial, datacom and electrical applications. Clips can be joined to a base and another clip of any size. Different cable sizes can be bundled together, organized and protected flexibly and efficiently. |

|                                |                                                                        |
|--------------------------------|------------------------------------------------------------------------|
| Short Description              | Helawrap, Accessory Clip, HWCLIP16, 5/8" Dia, PA66HIRHS, Black, 50/pkg |
| Global Part Name               | HWCLIP16-PA66HIRHS-BK                                                  |
| Fixation Method                | Plug-in mounting                                                       |
| Diameter D (imperial)          | 0.59                                                                   |
| Diameter D (metric)            | 15                                                                     |
| Nominal Diameter (Imperial)    | 5/8                                                                    |
| Nominal Diameter (Metric)      | 16.0                                                                   |
| Material                       | Polyamide 6.6, high impact modified, heat stabilized (PA66HIRHS)       |
| Material Shortcut              | PA66HIRHS                                                              |
| Flammability                   | UL 94 HB                                                               |
| Halogen free                   | Yes                                                                    |
| Operating Temperature (Metric) | -40°F to +221°F (-40°C to +105°C)                                      |
| Reach Complaint(Article 33)    | Yes                                                                    |
| ROHS Complaint                 | Yes                                                                    |

|                            |            |
|----------------------------|------------|
| Package Quantity(Imperial) | 50         |
| Package Quantity (Metric)  | 50         |
| Customs Number             | 3926909988 |
| Content Unit(BMEcat)       | pcs.       |
| Weight (Metric)            | 0.14       |
| Weight (Imperial)          | 0.3        |
