| Type                | MB2                                                                                                                                                                                                                                                           |
| Color               | Natural (NA)                                                                                                                                                                                                                                                  |
| Features & Benefits | •Compact size for areas with limited mounting space. •Simple to install with a screw or rivet. •Single hole attachment with two-way entry for cable tie.                                                                                                      |
| Quantity Per        | bag                                                                                                                                                                                                                                                           |
| Product Description | These cable tie mounts are compact in size. They are designed for simple yet robust installation particularly in areas with limited space. They pair with a cable tie for mounting applications including telecom equipment, switchgear and control cabinets. |
| Short Description   | Cable Tie Anchor Mount, .81" x .49", .193" Hole Dia, .18" Max Tie Width, PA66, Natural, 100/pkg                                                                                                                                                               |

|                                       |                          |
|---------------------------------------|--------------------------|
| Global Part Name                      | MB2-PA66-NA              |
|                                       |                          |
| Length L (Imperial)                   | 0.81                     |
| Length L (Metric)                     | 20.6                     |
| Fixation Method                       | Screw Mounting and Rivet |
| Width W (Imperial)                    | 0.49                     |
| Width W (Metric)                      | 12.5                     |
| Cable Ties                            | T18 - T50                |
| Height H (Imperial)                   | .13                      |
| Height H (Metric)                     | 3.30                     |
| Cable Tie Width Max (Imperial)        | 0.18                     |
| Cable Tie Width Max (Metric)          | 4.6                      |
| Mounting Hole Diameter D (Imperial)   | 0.193                    |
| Mounting Hole Diameter D (Metric)     | 4.9 mm                   |
| Mounting Hole Diameter D Max (Metric) | 4.9                      |
|                                       |                          |
| Material                              | Polyamide 6.6 (PA66)     |

**Material Shortcut**

PA66

**Flammability**

UL 94 V2

**Halogen free**

Yes

**Operating Temperature (Metric)**

-40°F to +185°F (-40°C to +85°C)

**ROHS Complaint**

Yes

**Package Quantity(Imperial)**

100

**Package Quantity (Metric)**

100

**Customs Number**
