Customer Operations

Dear *Valued NI Customer,*

NI is discontinuing a few PCI and PXI Data Acquisition products. You are receiving this letter because you have purchased one or more of these products in the past.

At NI, we are committed to our customers' success. **Therefore, we will continue to offer the affected products for sale until December 30, 2022.**

We fill orders on a first-come, first-served basis until supplies are exhausted, based on delivery date. We cannot guarantee that all orders will be filled. If you do not plan to transition to a replacement offering, we recommend you purchase all future-required units in this timeframe.

Once the lifetime buy date has passed, NI will continue to offer repair services for this product until **December 30, 2025**. After that time, NI no longer guarantees availability of repair services. To discuss extended availability and support for this product, please contact your local NI field sales representative.

Product Upgrade Details

NI offers a recommended replacement for new and existing applications for most of the affected products. Migrating existing applications to a replacement product may require a driver or connectivity change.

We apologize for any inconvenience this may cause you. If you have any questions or concerns, please contact the appropriate resource listed below.

Action/Question	Contact
For consultation, preparation, or general questions regarding the existing system upgrade or migration.	[Migration and upgrade-qualified NI Partners](#)
Purchase the EOL product during its last-time-buy period or purchase the replacement product.	Your [distributor](#), [ni.com/shop](#), or call NI at the number listed at [ni.com/contact-us](#)
Discuss extended availability or support coverage for the EOL product.	Your NI account manager or call your local NI contact number listed at [ni.com/contact-us](#)
Troubleshoot or ask technical questions related to the EOL or product replacement(s). Note: This requires an active support contract (SSP).	Open a technical support request via [ni.com/ask](#)
Research previous purchase history information or check order status.	[Order status](#)
Discuss technical support or other services available for purchase, or any other issue not mentioned above.	Call your local NI contact at the number listed at [ni.com/contact-us](#)

Best regards,
