

## Product Change Notification - # 3001997

### Title: Manufacturing Site Transfer from Belton Technology to Kaifa Technology

*This Product Change Notification is issued to document and describe a specific product consideration for your attention. Please review this Product Change Notification carefully and if you have any questions please contact your quality representative or designated sales representative for support.*

**Original Notification Date:** December 1, 2017

**Revised Notification Date:** Not Applicable

**Product Identification:** All large ultracapacitor cells (650F – 3400F).

**Type of Change:** Manufacturing Site Transfer

**Description of change:** The existing manufacturing lines used for ultracapacitor cell production at Belton Energy Technologies will be moved to Shenzhen Kaifa Technology.

From Manufacturing Location:	To Manufacturing Location:
Belton Energy Technology Limited	Shenzhen Kaifa Technology Co., Ltd
No. 663 Bulong Road	No. 2 Jumma Road
Bantian	Chigang Community
Longgang District	Humen Town
Shenzhen City	Dongguan City
Guangdong Province, China PRC 518129	Guangdong Province, China PRC 523900

The existing production equipment currently at Belton will be transferred to Kaifa and used for production. Two ultracapacitor cell production lines will be moved in phases starting in January 2018 through August 2018 to ensure continuity of production. Kaifa has offered employment to all of the current Belton employees working on the ultracapacitor production lines.

**PCN Tracking Number:** 3001997.1

**Reason For Change:** The City of Shenzhen has implemented an urban redevelopment project resulting in the closure of the existing Maxwell manufacturing site. The last day of production at Belton will be June 29, 2018.
