(Product Discontinuance Notification)

Tuesday, April 25th, 2023

PCN# 42023

To Whom It May Concern:

Please be advised that due to the unprecedented supply chain complications and environmental regulations impacting our business, NorComp must discontinue the list of part numbers shown on the subsequent pages of this notification effective immediately.

The discontinuance is due to the challenges relating to the tin-plated shells used on the associated part numbers. All discontinued part numbers can be replaced by NorComp's standard nickel-plated shell equivalent part numbers (shown next to each discontinued part number on the subsequent pages). All replacement part numbers meet the exact form, fit, and function of the discontinued part numbers except for the plating material on the shells.

Please note, NorComp holds connector inventory with tin plated shells that can be sold until depleted.

You are receiving this notification as our records show that you have purchased some of these products in the last 5 years. We appreciate your understanding as we strive to offer you the most current information regarding our product.

Please confirm receipt & acceptance of product change notification by responding to this email. If you have any questions or concerns, please feel free to contact us at sales@norcomp.net.

Regards,

Joshua Kadel
Engineering Team Lead
