

Issue Date: Apr 13, 2023

Dear Valued Customer,

This PCN C0459 notice is to inform you of changes affecting selected item(s) that you have purchased from Littelfuse.

Description of the Change:

The electrical BMS codes will undergo a change. The 2 fixed pins and 1 mobile pin will be replaced with the spring with 3 fixed pins. Relative ring nut with hole (identifying for the positioning of the mobile pin) will be replaced by another ring nut without hole.

Reason for The Change:

Process and material standardization.

Effective Date of the Change:

Running change, effective May 2023.

What You Need to Do:

This will have no impact to fit, form, or function of your products.
As this is being coordinated as a running change, delivery will not be impacted.
Please, notify your customers who have purchased these P/Ns in the past.

If you have any questions, please feel free to contact your Littelfuse Customer Service Representative or your Inside Sales Representative. We appreciate your business and our continued partnership.

Sincerely,
Pasquale Felago
Global Product Manager
