The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

Due to the design adaptation by Phoenix Contact, the items listed will be revised. The main changes lie in the adaptation of the housing marking, redesign of the housing front, and changeover to light gray (RAL 7035) non-coded connectors.

In addition to the year of manufacture, the calendar week will also be displayed below the CE mark. The various pictograms and TÜV approvals will be displayed in the lower area on the left half of the housing. The connectors will no longer be coded and the color will change from green to light gray (RAL 7035).
