FDC - Field Device Connectors	ABQ	Product Change Notification	Notify Distributors and Field	1/7/2022

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

As part of the ongoing improvement process, the geometry of the seal on the housing of the items included in this document is being changed. This will allow an even tighter and better of the seal. The technical and electrical properties of the connectors will remain unchanged.

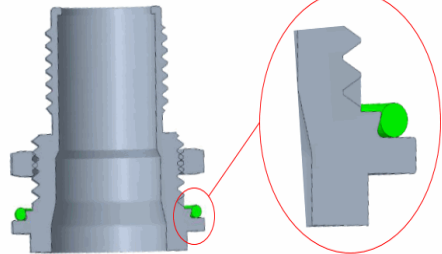

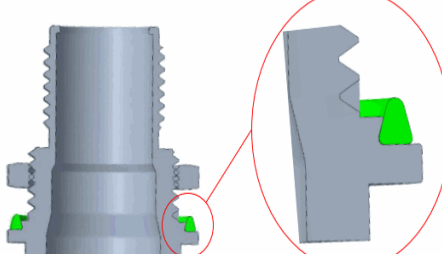

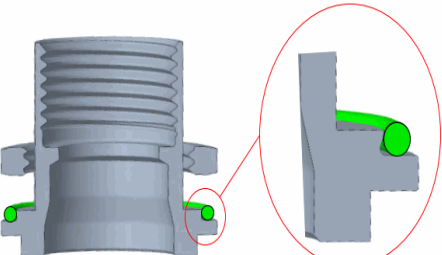

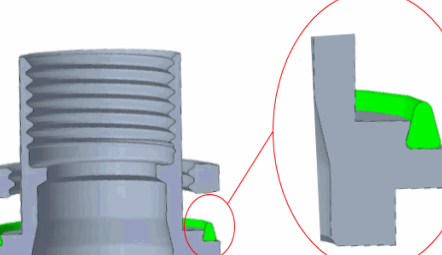

In future, a molded seal will be used instead of an O-ring. There are no changes to the technical performance data, the approvals, or the external dimensions. When installed, the housing contour will remain unchanged.
