

Date of Issue: November 13, 2020

Dear Valued Customer,

This letter serves as formal notice that Tallysman Wireless has discontinued the following VeroStar antennas: 33-VSP6237L-zz and 33-VSP6237-zz as of November 13th, 2020.

These models have been replaced by Tallysman Wireless model numbers: 33-VSP6337L-zz and the 33-VSP6337-zz. The replacement models are fully compatible with the discontinued products and additionally support GPS/QZSS L5, Galileo E5a and BeiDou B2a.

Discontinued Part #	Replacement Part #
33-VSP6237L-zz	33- VSP6337L-zz
33-VSP6237-zz	33- VSP6337-zz

We regret any inconvenience this may have caused, and we look forward to meeting all your future precision GNSS antenna needs.

Please contact Tallysman Wireless if you have any additional questions.

Best Regards

Ken MacLeod
