Introduction of the existing mini-EV boards successors

Dear valued partner,

With this letter, we would like to inform you that we have improved the design of some of our mini-evaluation boards for the RF modules mentioned in the annex. Hereby, we would also like to inform you, which are the successors of these mini-evaluation boards. The successors are called "Family Evaluation Boards". We would kindly like to ask you to update the information in your system and place all future orders with the successor of the corresponding mini-evaluation boards, as per the annex attached.

Best regards,
