EVK-M8GZOE-0		
EVK-M8QSAM-0-00	EVK-M10QSAM	Evaluate u-blox SAM-M10Q patch antenna module
EVK-M8CCAM	EVK-M8QCAM	Evaluate u-blox TCXO-based CAM-M8Q chip antenna module

All orders of the above listed products placed after the notification date are **non-cancellable** and **non-returnable (NCNR)**.

2 Reason for discontinuation

u-blox commits to introduce the latest technology and product portfolio to customers and to provide support tools to make evaluation and design efforts as simple as possible. Therefore, it is not recommended to use the above-mentioned legacy and old generation Evaluation Kits for new designs.

3 Customer impact and recommended action

It is recommended that customers choose the latest u-blox M9/F9/M10 Evaluation Kit for evaluating and testing the latest u-blox GNSS solutions. u-blox M9, F9 and M10 platforms offer improved performance and versatile product portfolio compared with the older generations of u-blox 7 and u-blox 8/M8 products. Please consult u-blox's support team for more migration related information.

4 Schedule

Products in End-of-Life	Last time buy date	Last shipping date
EVK-M8BZOE EVK-M8CCAM	30 April 2023	30 September 2023
