### Introduction of improved carrier tape for Chip LED SFH 2705

06.06.2023

Dear Customer,

please take note of this **Infonote**.

This customer notification is for information only and does not require customer approval.

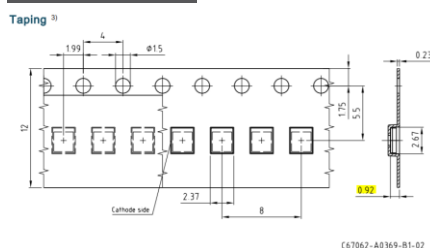

**Objective:** Product updates for Chip LED SFH 2705

**Affected products:** Chip LED SFH 2705

**Reason for change:** Improvement of carrier tape design to harmonize with other Chip LED products.

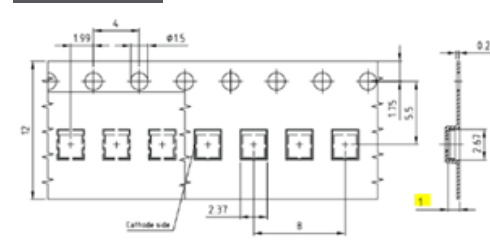

**Description of change:**

Current status

Pocket depth – 0.92mm

New status

Pocket Depth – 1.00mm

**Time schedule:** The improved carrier tape will be in use from date code 2329 onwards.

**Assessment:** No change in fit, form, function and reliability of the product.  
The tape drawing will be updated in the datasheet.

**Documentation:** The updated datasheet is available.
