Product Change Notice

Date: 3/30/2023 PCN

NO: SL23001

Subject: Introduce alternative IC for OT, OW & OA type Oscillators

Effective Date: Aug/23/2023, or earlier based upon customer qualification and acceptance.

Description of Change:

OLD DESIGN	NEW DESIGN
Original IC: NPC 506x Series	Alternative IC : Interchip IPS020 Series

Reason for Change

Due to the unstable supply of NPC IC, we suggest an alternative IC from Interchip.

Effect form Change:

More stable delivery time. All the alternative products have comparable performance to the original design.

Customer Impact and Recommended action:

We recommend you can request samples for confirmation.

Affected Product:

See list of affected TAITIEN part numbers

TAITIEN ELECTRONICS:

QA Manager:

Richen Liu
