

Title of Change:	Product Discontinuation Notice related to onsemi Fab Lirer strategy and resulting sale of Niigata factory
Last Time Buy Date:	30 Sep 2023
Last Ship Date:	30 Jun 2024
Contact information:	Contact your local onsemi Sales or Customer Service Representative.
Type of notification:	Customers must notify onsemi (< PCN.Support@onsemi.com >) in writing within 90 days of receipt of this notification if they consider the discontinued product to be "Sole Source." onsemi and the customer may negotiate an appropriate End-of-Life.

Description and Purpose:

Due to onsemi Fab Lirer strategy and resulting sale of Niigata factory, onsemi wishes to collect needs from customers as early as possible. It has become necessary to tighten our understanding of our customer lifetime needs and request that you pursue order placement for all affected products by September 30, 2023. This acceleration is to ensure that we have ample time to agree on and build requested volumes.

onsemi wishes to promptly inform our customer of our intent to exit this small portion of our overall portfolio so that you may plan appropriately and effectively for replacement devices.

onsemi has provided a list of replacement devices, where available, to aid in this process.

For those devices that have no recommended replacement identified, onsemi has partnered with Rochester Electronics and Flip Electronics who will carry any remaining device inventory to potentially allow for a continued source after onsemi has completed its business process

PLEASE NOTE: onsemi may implement minimum order quantities or dollar amounts based on inventories available. Also, Devices on this Product Discontinuance become NCNR (Non-Cancelable, Non-Returnable).

For questions or concerns regarding this notification, please contact your local sales office or customer service representative.
