

Discontinued Products Bulletin
2021 Year End Product Discontinuation Notice
Thursday, October 14th, 2021

BT, Andrew,

Certain items from Airgain's Antennas Plus product offering will be discontinued by year-end 2021. This letter outlines discontinuation plans and extended support to assist you and your customers.

Final Orders

- Orders for the discontinued model numbers will be honored through December 31st, 2021 and must be shipped before January 31st, 2022.
- After December 31st, 2021, discontinued model numbers will be available until the existing inventory is exhausted, or January 31st, 2022 whichever comes first.

Discontinued Product List

The product list identifies the discontinued product lines and families for 2021 and provides replacement product line information, if available. A detailed list of discontinued models is shown at the end of this document.

Warranty and Spare Parts

Airgain's standard warranties apply to all discontinued model numbers.

Airgain will not carry spare parts for all the discontinued model numbers.

Excess Inventory

Airgain will not accept returns or exchanges for excess inventory in distribution.

If you have questions, please contact your Airgain Sales Representative.

Thank you for your continued support of Airgain products.

Sincerely,

Patrick Hibbs
