

## Honeywell Announces Obsolescence and Last-Time Buy Opportunity for TARS-1.0

March 24, 2023

Honeywell Sensing & Safety Technologies is announcing an opportunity to place a last-time buy order for a limited number of Transportation Attitude Reference System (TARS) sensors. This announcement relates only to the part numbers specified below. It does not represent a full discontinuation of the product lines into which such part numbers are grouped. Please refer to the Timeline of Events shown below for more details.

Due to a fixed amount of remaining capacity, fulfillment of last-time buy orders will be limited and subject to cancellation at any time. It is recommended that orders be placed promptly to improve the likelihood of fulfillment.

### Proposal for Customers to Consider

Honeywell has released a new version of Transportation Attitude Reference System (TARS-B) sensor ([TARS-B Series | Honeywell](#)), which customers can consider as replacement to (TARS-1.0). TARS-B series is an improvement over TARS-1.0 with no changes to fit or form.

### Affected Part Numbers

This announcement serves as the formal communication that the SKUs listed below will no longer be available for sale in accordance with the Timeline of Events shown below.

### Obsoleted Part Numbers with Last-Time Buy Option:

TARS-HCASS	TARS-HCASS-005
TARS-HCASS-002	TARS-HCASS-001
TARS-HCASS-003	TARS-HCASS-007
TARS-HCASS-006	TARS-LCASS

### Timeline of Events

The following timeline pertains to all affected SKUs. These dates are subject to change based on availability.

Action	Description	Date
Last-Time Buy - End of Ordering	Deadline by which new orders for listed parts must be received.	Sep 30, 2023

## WARRANTY/REMEDY

Subject to the following conditions, Honeywell warrants goods of its manufacture as being free of defective materials and faulty workmanship during the applicable warranty period. Honeywell's standard product warranty applies unless agreed to otherwise by Honeywell in writing; please refer to your order acknowledgement or consult your local sales office for specific warranty details. If warranted goods are returned to Honeywell during the period of coverage, Honeywell will repair or replace, at its option, without charge those items that Honeywell, in its sole discretion, finds defective.

**Notwithstanding the foregoing, in the event of a product end-of-life or obsolescence, or inability of Honeywell to manufacture or source materials or component parts for a product, for whatever reason, and/or any associated last-time buy in relation to a product (an "Obsolescence"), Honeywell shall engage in commercially reasonable efforts to repair or replace products in accordance with the terms of its standard warranty, but in no event shall it be liable if it is unable to do so due to the Obsolescence. The foregoing is buyer's sole remedy and is in lieu of all other warranties, expressed or implied, including those of merchantability and fitness for a particular purpose. In no event shall Honeywell be liable for consequential, special, or indirect damages.**
