These replacement recommendations have been carefully evaluated and selected to ensure compatibility and seamless integration into existing systems. We recommend updating your records and modifying any relevant documentation accordingly.

In the event that you have existing inventory or pending orders for the obsolete parts mentioned above, we kindly request that you take appropriate action to adjust your stock levels or revise your order to accommodate the replacement parts. However, we are providing you with the option to keep these obsolete parts in your stock and sell them at your discretion. Our sales team is available to provide any assistance you may require during this transition period.

Should you require any further information or have any concerns regarding this part change, please do not hesitate to contact our customer support team at sales@altranmagnetics.com. We value our business partnership with Digi-Key Electronics and will ensure a smooth transition during this phase.

Thank you for your attention to this matter, and we appreciate your continued support.

Yours sincerely,
