Re: Discontinuation Notice – SX5-B Safety Laser Scanner

Dear Banner Channel Partners,

Banner Engineering is issuing this notification to inform you effective immediately the SX5-B (model 806006) Safety Laser Scanner has been discontinued. Production of SX5-B ended in July 2022 and all inventory of SX5-B has been consumed. The final date Banner will accept stock rotations will be 31 July 2023.

The next generation version and direct replacement for this product is SX5-B6 (809737). All open orders for SX5-B will need to be changed to SX5-B6. A Banner employee will contact those with an open order to notify them a change is required.

Discontinued P/N: Model Number	Replacement P/N: Model Number
806006: SX5-B	809737: SX5-B <u>6</u>

The SX5-B6 is available as a fully compatible product solution for all replacement and new application opportunities. The key feature differences are shown in the table below.
