This document describes the discontinuation of the actuation option W1 or L1 for 10 positions of CRD10 (PNs starting with CRD10R or CRD10C to go with L1 or W1 actuator for termination type of A or C, highlighted in the blue rectangular below).

The Build-A Switch concept allows you to mix and match options to create the switch you need. Below is a complete listing of options shown in catalog. To order, simply select desired option from each category and place in the appropriate box.

* Note - L1 and W1 actuators are not available in termination "S"

2.1 To include all part number configurations with CRD10R or C with both L1 or W1 actuator and termination type A or C offerings.
