- ☐ Yes ☒ No

Description and purpose of change:

Because of a database mismatch, Würth Elektronik will correct the marking description in the datasheets of the product series WE-GF size 3225.

This is a datasheet correction only. There will be no change in form, fit, function, quality or reliability of the product.

Detail of Change:

In the current datasheets the marking description shows four digits. Actually the marking only consists of three digits (see picture below). The last digit will be removed.

In the following table the changes in the datasheet marking indication are shown.
