### Data Sheet Change:

☐ Yes ☒ No

### Attachment:

☐ Yes ☒ No

### Description and purpose of change:

In order to enhance the product availability, Würth Elektronik will release another supplier for subcomponents.

All products with date code 2023-08-01 or later, will be affected by this change.

There will be no change in form, fit, function, quality or reliability of the product.

**Details of change:**

|                      |                                                     |
|----------------------|-----------------------------------------------------|
| <b>Before Change</b> | <b>One supplier</b>                                 |
| <b>After Change</b>  | <b>Addition of new supplier for sub components.</b> |

**Reliability / Qualification Summary:**

Product approval is according to the specification criteria and is internally released by the Product Management Department.

The following items are part of the internal release process for this change:

Standard production Test

Radio tests

Optical inspection
