

June 29, 2023

To Whom It May Concern,

In the continuing effort to provide products that meet market needs, Advanced Energy periodically provides notification of end-of-life status for products that are no longer in demand and/or are being discontinued due to other factors.

With this notification we are announcing **the end-of-life status for our XS500 single output product range from the Excelsys product line, effective today**. See affected part numbers listed below.
