To: Littelfuse Sales, Sales Support & Valued Customers

From: Littelfuse Product Management – Industrial Business Unit

Subject: Obsolescence of SPNH, LFNH & MSSPNH series products

Document Number: LFPCN_PG0164

Date: 29th June 2023

This letter is to inform Littelfuse Sales, Sales Support & Customers of our decision to obsolete SPNH, LFNH & MSSPNH series fuses, fuse holders & microswitch offering due to supply chain constraints and weak end market demand. We do not have an alternate product available to replace currently from our product range.

Please refer to Annex A table for the complete list of 67 SKUs that are included in this obsolescence plan.

Last time buy for this product will be 14th of July 2023; at this time all remaining orders must be booked. Please note any existing orders will be honored.

Please refer to Annex B table for list of unrestricted stock available for these product range; these will be available to order until inventory last.

All orders received during this time are non-cancellable and non-returnable (NC&NR).

For any technical or cross reference questions, please contact our Technical Support team at (800) TEC-FUSE. Please update your ordering systems accordingly and thank you for your business.

Sincerely,

Prashant Kulkarni
Associate Product Manager
