### Notification of change of GU140X32F-7000/B to GU140X32F-7000D

Dear Madams/Sirs,

We thank you very much for your continuous patronage of Noritake VF Display products.

This is to inform you that the GU140X32F-7000/-7000B have been adopted by many customers, will no longer be produced due to the discontinuation of microcontroller. Therefore, we have developed an alternate product to keep supplying products to customers and we kindly ask you to switch to the alternate product as follows. We thank you for your understanding and continuous cooperation.

1. Discontinued product : GU140X32F-7000, GU140X32F-7000B
2. Alternative product : GU140X32F-7000D
3. Reason of change : Due to the discontinuation of microcontroller (Renesas)
4. Schedule:
  - (1) Specifications : March 31, 2023
  - (2) Order acceptance : April 3, 2023
  - (3) Last Order of GU140X32F-7000 and -7000B: September, 20, 2023
5. Additional explanations :
  - (1) The functions of alternative product, GU140X32F-7000D, meets the specifications of exiting products.
  - (2) As a result of the reliability test, we have confirmed that GU140X32D-7000D is within the data specification.

If additional information is required, please contact your sales representative.

Sincerely yours,

Taro Konda / Group Manager

Sales Group.
