## TE Connectivity

Product Change Notification: P-23-024886

PCN Date: 28-JUL-23

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
ATCA GUIDE MODULE

Description of Changes	
Manufacturing location change. With new package.	
old package	new package
	

Reason for Changes:	
Dear Customer, To keep the aging tooling working in a sustaining way, business decision made to develop a new tooling with a new location to enhance good manufacturing capabilities. Package change from inner box to Tray package to improve drop strength. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
