

Product Change Notification

PCN-AI-8795-2023

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
AI - Automation Infrastructure	DNC	Product Change Notification	Notify Distributors and Field	6/14/2023

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

For the above wireless modules, components on the radio board are being changed. The reason for this is discontinuation by the supplier. The firmware will be adapted accordingly. The hardware and firmware version number will be increased for reasons of traceability. The technical properties, as described in the data sheet, remain unchanged

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	Yes

Transaction Dates

Date modification goes into effect from Germany:	6/30/2023
Expected first shipment (from Phoenix Contact) of the modified products(s):	6/30/2023
