| ICS- Industrial<br>Cabinet Solutions | BH3               | Product Change<br>Notification | Notify Distributors and<br>Field | 8/14/2023     |

*The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.*

#### Description for Product Change Notification

The EU declaration of conformity and the EAC certificate are no longer required for the following 120 V devices: WF 1000 120V, CF 500-120V, and CF 3000-2,5 120V. The devices continue to meet the same safety requirements and have no technical changes. Externally, the omission of the EU and EAC will be recognized by the removal of the CE and EAC marking on the rating plate. All other technical properties, as described in data sheets, remain unchanged.

#### Stock Status

|                                   |     |
|-----------------------------------|-----|
| Can existing stock still be used? | Yes |
| Is mixture of stock acceptable?   | Yes |

#### Transaction Dates

|                                                                             |           |
|-----------------------------------------------------------------------------|-----------|
| Date modification goes into effect from Germany:                            | 9/15/2023 |
| Expected first shipment (from Phoenix Contact) of the modified products(s): | 9/15/2023 |
