- ☐ Yes ☒ No

Attachment:

- ☐ Yes ☒ No

Description and purpose of change:

To increase the production capability, Würth Elektronik will implement a laser marking process.

All products with date code 2023-12-21 or later, will be affected by this change.

There will be no change in fit, function, quality or reliability of the product.

Detail of Change:

- 1.) All electrical and mechanical properties of the parts will remain the same.
- 2.) Laser-Printing will be only used starting with effective date.

3.) Marking appearance:

Current Method

Marking with
Pad Printing

New Method

Marking with
Laser Marking

Reliability / Qualification Summary:

Product approval is according to the specification criteria and is internally released by the Product Management Department.

The following items are part of the internal release process:

- Visual Appearance
