## End of Life Notification EOL#23.011

---

This document is an End of Life Notification (EOL) for the second generation of 56G QSFP SR4 transceiver modules.

### Affected Part Numbers

The base part numbers affected by this EOL and the suggested replacement base part numbers as below:

EOL Base P/N	Replacement Base P/N
FTL414QB2C	FTL414QB4C
FTL414QB2N	FTL414QB4N

### End of Life Dates

All last time buy orders must be received by March 1<sup>st</sup>, 2024. The last time ship date will be no later than September 1<sup>st</sup>, 2024.

### Order Acceptance/Change Conditions

Any orders for the discontinued products listed above with a requested ship date after March 1<sup>st</sup>, 2024, will be non-cancelable and non-returnable (NCNR). The words “non-cancelable, non-returnable” must be clearly indicated on these orders. These orders cannot be changed, rescheduled, or cancelled.

Any orders for the discontinued products listed above can’t be changed, rescheduled or cancelled after March 1<sup>st</sup>, 2024.

### RMA Replacements

After Sep 1<sup>st</sup>, 2024, Coherent reserves the right to replace any of the discontinued products listed above returned under RMA (Return Material Authorization) with their replacement products, or with a credit, if it is deemed Coherent responsibility.
