

Product Phased-Out Notice

Last Update: 09/08/2023

Due to extreme uncertainty in IC allocation for below models, manufacturer modified product layout for IC replacement to shorten lead time. To manage well inventory transition, new part numbers will be used afterward.

1. Safety model name remains the same to avoid impact on system safety certificates.
2. Due to change in layout, manufacturer updates safety certificates to add new layout.
3. Due to change in layout, compatibility test with system is strongly recommended.

This announcement will take effect immediately. Please review this phase-out notice carefully and contact your regional PAPS buyer immediately if your customers have any further inquiries on these items.

Phase Out Reason

The manufacturer has decided to phase out the product as production is not economically viable.
