## **Product Advisory #1895 VL-HDW-407**

This is a formal notification regarding a product supplied by VersaLogic Corporation. Our records indicate that your company has purchased this product.

Please read this notice thoroughly to determine what impact this information may have with regard to your currently owned product or future purchases from VersaLogic Corporation.

### **Affected Products**

<b>Product</b>	<b>Description</b>	<b>Where Used</b>
VL-HDW-407	Cooling Fan that bolts on to VL-HDW-406 or VL-HDW-412 heatsink	VL-HDW-406 VL-HDW-412

### **Changes Made**

The mounting screws and installation instructions for this fan have been revised to insure proper attachment to the heat sink.

### **Installation Instructions**

When installing the VL-HDW-407 fan to the heatsink, the fan must be installed with the fan's counter sunk mounting holes upward. The fan mounting screws are the proper length for this installation orientation only.

### **Customer Impact**

Instructions for installation of the fan should be updated in any customer-maintained documentation.

Note that this fan and heatsink combination may be used with the following VersaLogic embedded computer boards.

- VL-EBX-38
- VL-EPM-30
- VL-EPM-31

The reference manuals may be found in the RESOURCE section of the VersaLogic webpages noted above. The download link for each manual is:

- [https://www.versalogic.com/download.php?file=assets/pdf/manuals/MEPME30\\_HRM.pdf](https://www.versalogic.com/download.php?file=assets/pdf/manuals/MEPME30_HRM.pdf)
- [https://www.versalogic.com/download.php?file=assets/pdf/manuals/MEPM31\\_HRM.pdf](https://www.versalogic.com/download.php?file=assets/pdf/manuals/MEPM31_HRM.pdf)

Customers are advised to review this information and ensure their assembly instructions align with this guidance.

**Fielded Units** - Use as is.

**Future Shipments** – All shipments of the HDW-407 Fan Accessory kit will include the correct length screw for installation of this fan assembly in the orientation specified.
