Ref: Product Discontinuation / End of Life Notice

Carlo Gavazzi regularly reviews our product portfolio and how it aligns with our strategic markets. Occasionally difficult decisions have to be made with regards to how our portfolio aligns with our objectives. As a result, Carlo Gavazzi has decided to exit the Parking Guidance market, and will no longer develop new Car Park projects. We will continue to support existing installations, and will accept orders for replacement parts while quantities last, on a first come first serve basis. The products that are being discontinued are listed on the next page.

This decision allows Carlo Gavazzi to redirect internal resources (R&D, manufacturing, purchasing, marketing, sales) towards more strategic and profitable businesses that align with our corporate objectives. Ultimately, the Controls product line will become even stronger.

As always, please contact Carlo Gavazzi for assistance or with any questions at [controls@carlogavazzi.com](mailto:controls@carlogavazzi.com).

Sincerely,

Mauro Dresti
