MSM Series Glass Corner Mirrors

Dear Banner Channel Partners:

Effective August 31st, 2023, Banner Engineering is discontinuing the MSM series glass corner mirrors for use with Banner's Safety Light Curtains. Our vendor is no longer able to supply us with components necessary to build these items, resulting in the discontinuation of these products. The final date Banner will accept stock returns will be the 31st of August 2023.

The replacement product family is the SSM Series glass corner mirrors. For the complete list of product models which are now obsolete, and the closest replacement option see the table below.
