July 13, 2023

This letter is to notify you of the discontinuation of the KSK-1A69 reed switch. Due to increased lead times and continued push outs from our vendor we will be cancelling all open orders for the KSK-1A69 effective immediately. The KSK-1A69 reed switch will be removed from the next price book implementation as the reed switch is becoming obsolete for purchase through Standex Electronics.
