Description of Change:

W7ES004G1TAI-J51PD-04D.01, W7ES004G1TA-J51PD-04D.01 and W7ES008G1TA-J51PD-4Q2.01 has been designated as EOL and has been superseded by the equivalent item using the most current Toshiba NAND Flash for best support. The suggested replacements are listed below. The replacement part is intended to be a drop in replacement as form, fit and function are not affected.

Although these changes were thoroughly evaluated in our test lab at qualification we recommend the customer to conduct their own evaluation to insure the replacement will function as required.
