

 <b>HARTING</b> Pushing Performance Since 1945	<b>HARTING</b> <b>Product Termination</b> <b>Notification</b>	<b>PTN</b>
--	---	------------

<b>Business Unit:</b>	Electronics	<b>PTN/22/023/S</b>
<b>Product range:</b>	Board Connectors / DIN Signal + har-bus 64	<b>Date:</b> 2022-12-21
<b>Author:</b>	Ansgar Thomas	
<b>Title:</b>	Phase out DIN 41612 type 2M - External	

## Details of product termination

<b>1. Concerned part number (see also attachment):</b>
09231126901 09232126805
<b>2. Reason for termination:</b>
Due to low demand during the last years and a broken stamping tool we have to phase out these two products.
<b>3. Possible replacement products</b>
As possible replacement product we recommend to use our <b>har-modular</b> <sup>®</sup> connector. Feel free to do your own configuration under <a href="https://b2b.harting.com">https://b2b.harting.com</a> .  It's not possible to create a one to one drop-in replacement based on <b>har-modular</b> <sup>®</sup> , but there are options to take over all functions which were possible with the type 2M 12+4.
<b>4. Scheduled date of:</b>
09231126901. Unfortunately and due to the broken tool we can only accept orders for the existing stock of 160 pieces. After this stock is sold we are not able to deliver any further parts.  09232126805: 1. Last order: 2024-01-31 2. Last delivery: 2024-03-31
