Subject: Product Obsolescence Notice – Non-Exclusive Distributor Agreement

Reference No.: MINNESOTA/2004304.0001/144513792.2

Dear Ms. Brinkman,

Due to material shortages and continuing supply chain issues, Thales Defense & Security, Inc. (TDSI) has made the decision to render the NavChip2 as obsolete. Additionally, we will no longer be selling the NavChip3 units through Digi-Key. We are not offering Last Time Buy (LTB) opportunities; however, current orders which have already been accepted by TDSI will be fulfilled as products become available.

The following material will no longer be available:

Thales Part Number	DK Part Number	Description	Notes
V50024-17-02	1845-1004-ND	NavChip 2	Open POs for 94
V14447-03-02	1845-1005-ND	RS422 NavChip Evaluation Kit	3 in DK Stock
V14444-03-02	1845-1006-ND	USB NavChip2 Evaluation Kit	5 in DK Stock
V15206-17-01	1845-V15206-17-01-ND	NC3 Class B	Open PO for 50 - On hold
V15206-17-02	1845-V15206-17-02-ND	NC3 Class A	None in DK stock
V50103-03-01	1845-V50103-03-01-ND	NC USB Eval Kit (No NC)	None in DK stock
V50104-03-01	1845-V50104-03-01-ND	NC RS422 Eval Kit (No NC)	None in DK stock

Our records indicate the following Digi-Key Orders have been accepted by TDSI via the Distributor Agreement *(with the reference number identified in the footer of the Agreement)*:

TDSI Sales Order No	Digi-Key PO #	Item	Outstanding Quantity
BV71487	3674326 line 1	V50024-17-02	19
BV71502	3808245 line 2	V50024-17-02	75
BV71583	4104530 Line 1	V15206-17-01	50

We remain committed to providing our customers with the highest quality products and service. TDSI regrets any inconvenience that this may cause. If you require further information or have any questions, please contact Sales-Visionix Sales@thalesvisionix.com or Visionix Tech Support techsupport@thalesdsi.com

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Harvey C. Linn, Jr.
Contracts Manager
