Product Discontinuation Notification October 2023

Discontinuation Information

This Discontinuation Notice confirms to your company that Ampleon is now discontinuing the manufacture of a number of its integrated circuits and discrete semiconductors listed in the Part Type Affected list included with this notification. In accordance with Ampleon product discontinuation policy and JEDEC EIA/JESD48, we are hereby giving notice of these product changes so that our customers and partners can adjust their product purchasing records, or make any final lifetime purchases of the discontinued products that can still be supplied by Ampleon. While this Discontinuation Notice contains a number of Ampleon discontinued end-of-life Product Types, the Part Types Affected (PTA) list represents a small percentage of Ampleon overall semiconductors product portfolio. Some of these discontinued products have had little to no recent sales history or they are at the end-of-life (EOL) stage. The PTA list may also cover a number of versions or selections of the same basic Product Type. We regret the inconvenience and impact this notice may cause. Ampleon sales, marketing and distribution personnel stand ready to assist you in placing our customers and partners' final orders, or in providing product information you require. On behalf of Ampleon, we appreciate your understanding and assistance in helping us to help you minimize the impact of this product discontinuation on your company. We look forward to Ampleon continued support of your company's semiconductor requirements in the years to come.

Terms and Conditions

Last Time Buy Terms and Conditions

Carefully review this information and notify your purchasing offices and buyers to place your company's final purchases for available discontinued products with Ampleon as soon as possible according to the following last time buy terms and conditions.

GENERAL:

Last time ordering conditions may vary by product. Refer to Parts Types Affected List. The Last Time Buy Date automatically expires when the final available discontinued part type inventory quantity or production unit has been scheduled and/or sold by Ampleon.

1. DELIVERY DATES:

Last time delivery conditions may vary by product. Refer to the DN Parts Affected List. Ampleon final delivery date(s) may be affected by limited supply conditions.

2. ORDER PLACEMENT:

Discontinued product orders placed with Ampleon are to be clearly identified as a "Last Time Buy" order. Each order must: (a) reference Ampleon Discontinuation Notice that applies (b) contain your company's requested delivery dates per this notice; (c) be within the minimum order quantity requirements in an existing volume purchase agreement or meet Ampleon standard minimum order policy; and (d) otherwise conform to all other applicable conditions in this notice.

3. PRICING:

The unit sales price for purchase of the available discontinued products covered by this notice will be as follows:

- a.) If a current signed volume purchase agreement is on file in Ampleon contracts/legal department, the unit price will be the effective agreement part type unit price for any unordered product quantities covered by such agreement. For quantities beyond the applicable unordered volume agreement quantity, the unit price will be subject to negotiation.
- b.) If a valid offer to sell standalone quote is still in effect during the last time ordering period, the unit price shall remain as originally quoted by Ampleon for the offered part type quantities until the quote has expired, or until the quoted quantities have been purchased.
- c.) Where a volume purchase agreement or a Ampleon standalone quote is not in effect, the product unit price will be subject to Ampleon individual price quotation of your company's last time buy requirements.

4. ACKNOWLEDGEMENT & DELIVERY:

Ampleon will acknowledge ("Confirm") each acceptable discontinued product order in writing or by electronic data interchange ("EDI"), and Ampleon will use its good faith efforts to meet your company's requested delivery date(s) wherever possible. However, Ampleon confirmed delivery date(s) are deemed to be approximate because of the special circumstances associated to last time product manufacturing conditions.

5. ORDER ACCEPTANCE/CHANGE CONDITIONS:

- a) Ampleon will accept last time discontinued products orders from your company as "Firm and Final". As such, these discontinued products orders will not be subject to reschedule, cancellation, or termination by your company without Ampleon prior written authorization and payment of termination charges for the ordered discontinued products at the full product unit sales price.
- b) Ampleon reserves its right to make changes in Ampleon confirmed scheduled delivery dates, or to terminate any remaining undelivered quantities of your company's last time buy order(s), at any time, due to changes in Ampleon last time manufacturing capabilities, or for commercially impracticable circumstances, which makes delivery not feasible.

6. QUANTITIES:

The following priority supply conditions apply to final buy quantities for available discontinued products.

- a) FIRST: The quantities in any existing unfilled orders and contracts acknowledged by Ampleon will be honored, then
- b) NEXT: The unfilled quantities in any volume agreement(s) or quantities in unexpired standalone quote(s) will be accepted, and
- c) FINALLY: Ampleon shall, where possible, reasonably accept additional quantities of discontinued product order quantities that Ampleon quotes based upon your company's identified requirements. IN THE EVENT OF CONFLICT FOR LIMITED AVAILABILITY DISCONTINUED PRODUCTS, THE QUANTITIES FOR Ampleon CUSTOMERS, OR Ampleon DISTRIBUTORS, ORDERS WILL BE DETERMINED BY Ampleon ON A "FIRSTCOME FIRSTSERVE BASIS". THESE DISCONTINUED PRODUCTS ORDER QUANTITIES WILL ALSO BE SUBJECT TO Ampleon AVAILABLE INVENTORY AND REMAINING MANUFACTURING CAPACITY FOR THE DISCONTINUED PRODUCTS.

7. DISTRIBUTION SALES:

If you are a Ampleon distributor customer, please contact your authorized Ampleon distributor sales representative for assistance in planning and making any last time purchase(s) of available discontinued products. Such purchases are to be negotiated solely between your company and the distributor. - a) Ampleon will accept all valid discontinued product warranty claims for credit only, unless a replacement order is otherwise agreed to by Ampleon and the replacement product(s) can still be manufactured or otherwise delivered from Ampleon remaining product inventory; and

- b) The applicable warranty period for making any return claims for discontinued products subject to this notice will be no longer than ninety (90) days following final delivery date of the discontinued products; and
- c) Any return claims must be made under Ampleon current Return Material Authorization ("RMA") procedures.
- d) Except for Ampleon special distributor stock rotation policy returns only, there is no restocking of purchased discontinued product quantities allowed by Ampleon from its customers or from its distributors.

For Limited Availability Product Types, a unique manufacturing or limited inventory or time condition exists. Where Limited Availability coded products are still manufacturable, a limited quantity of the Product Type has been, or will be, produced within Ampleon remaining capacity to meet our customers, or our distributors, commercially reasonable last time buy orders.
