

1st August 2022

Ref: SMH600 series End of Life

Please note that the SMH600 series in both U channel and end fan (-EF) versions that were previously not recommended for new designs, will be obsolete (EOL) from 31st December 2022, with orders accepted until the last time buy date of the 31st October 2022.

The MHP650, GSP750 or SHP1000 series are potential alternatives, or the configurable nanoflex range.
