

14th September 2023

Ref: VET18 series End of Life

Please note that all models in the VET18 series that were previously not recommended for new designs, will be obsolete from 31st December 2023 due to unsustainably low levels of sales, the closing date for last time buy orders is the 29th September 2023.

The desktop VET18 is class II construction with a C8 AC connector and a 5.5 x 2.1mm DC jack connector 12mm long, suggested alternative products are: AKM36 desktop (class II with polarized C8 AC connector), VEC40 desktop (class I with C14 AC connector), ACM18 wall mount (class II) with interchangeable AC blades or VEL18 (class II) with fixed AC blade.
