## PCN EIC-1127 End of Life SSR Litelink products

### Detailed Description of Change

Littelfuse IXYS Integrated Circuits Division's (ICD) would like to notify you that the following products have been transitioned to an "end-of-life" (EOL) status due to obsolescence of a composite material.

CPC5620A	CPC5620ATR
CPC5621A	CPC5621ATR
CPC5622A	CPC5622ATR
CPC5623A	CPC5622ATR
CPC5710N	CPC5710NTR

In order to satisfy any continuing requirements for these parts, Littelfuse IXYS Integrated Circuits Division is offering a non-cancelable last time buy (LTB). Orders for LTB quantities must be received by **January 31, 2024**, and all LTB products must have shipment request dates by **December 31, 2024**.

Once placed, LTB orders cannot be cancelled, rescheduled, or returned.

Acceptance of last time buy orders is subject to material availability. While we will endeavor to complete all last time buy requests, severe supply chain constraints may mean we do not manage to ship all requested volumes. In such circumstances Littelfuse reserves the right to update open order quantities.

The PCN number assigned to this action is **PCN EIC-1127** and must be referenced in any correspondence related to the change.

If you have any other questions or concerns, please contact your local Littelfuse sales representative or Product Manager below for further assistance.
