Product Change Notification: PCN-23-190303

PCN Date: 20-NOV-23

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

RT & PT relay sockets

Description of Changes

Second Manufacturing Location. For the following part numbers the existing approved production site will be expanded by a second production. Future demands will be delivered from both locations.

Reason for Changes:

Dear Customer, to improve the resiliency of the supply chain and improve upon production optimization efforts, the below listed part numbers will now also be approved for production from an equivalent location in Czech Republic. This manufacturing change in no way changes any of the specifications listed on the product datasheet. An internal release based on TE specifications will be executed before any parts will be delivered which guarantees performance and no form, fit or function change.
