Description of Change: Introduction of an alternative grease

Reason for Change: Due to discontinuation of grease material, we have secured grease provision thanks to a new grease source.

Grease is used to reduce wear between wiper and collector/resistive track and for electrical noise reduction.

We have qualified this alternative grease. If you require a specific qualification process, please let us know ASAP

Expected Influence on Quality/Reliability/Performance: No influence on Quality/Reliability/Performance, according to qualification results

Part Numbers/Series/Families Affected: Please see materials list on the succeeding page.

Vishay Brand(S): Vishay Sfernice

Time Schedule:

Start Shipment Date: Wed Mar 6, 2024

Sample Availability: W03 2024

Product Identification: Date code 2410

Qualification Data: Available on request

This PCN is considered approved, without further notification, unless we receive specific customer concerns before Thu Jan 4, 2024 or as specified by contract.
