Description of Change:

Moving to an alternate Red resin for the base of the above components.

Reason for Change:

Original resin MOQ too high to justify purchasing. Needed to move to an alternative resin.

Properties of Old vs. Changed Product:

New Resin is slightly darker than previous resin.

Disposition of Old Product:

Use any remaining inventory of previous resin to prevent as little discrepancy as possible between new vs old parts for customers.

Expected Implementation Date:	Immediate
Customer Feedback Expected by:	n/a

Additional Comments: (Include Potential Risks if Appropriate)

The part made from alternative resin has no effect on performance, only aesthetic. The part is Fit, Function the same. Only form difference is the color difference depicted below.

Supporting Qualification Data:

New

Old
