Data Sheet Change:

- ☒ Yes ☐ No

Attachment:

- ☐ Yes ☒ No

Description and purpose of change:

As a datasheet information amendment, Würth Elektronik will update the DC resistance specification. In addition to improve processability, a PET film was added below the coil and height specification will be adjusted.

There will be no change in quality or reliability of the product.

Detail of Change:

The height specification will be updated

From	To
	

The DC resistance specification will be updated

From	To
48 mΩ max	51 mΩ max

Reliability / Qualification Summary:

Product approval is according to the specification criteria and is internally released by the Product Management Department.
