Product Discontinuation Notice - Hirschmann Variants of the OZD Product Family

Dear Valued Customer,

This letter serves as your formal notification that Belden is discontinuing **several variants of the Hirschmann OZD series**.

In order to meet the latest market and technology trends, Belden is constantly developing innovative and high-quality products and variants that complement and optimize our existing portfolio. Every product has a defined life cycle and our products are typically characterized by a very long availability on the market. However, product discontinuation becomes inevitable over a period of time. For example, components in these products may be difficult to obtain or may no longer be available on the market.

Belden has a limited stock of these devices to meet demand until the last delivery date. Please note that orders cannot be cancelled. You can find the affected products in the attached list.

Discontinued Products

Last Order Date: January 31, 2023

Discontinued Products	Description
933990021	OZDV 2471 G 1300
