Product Discontinuance Notification Details				
Description of Discontinuance:				
Texas Instruments Incorporated (TI) is announcing the discontinuance of select devices. Part Numbers are listed in the Product Affected table below. A non-cancelable, non-refundable last time buy is being offered per the date shown above. Recommended replacements are also offered on some devices as shown in the Product Affected Section. NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any of the replacement products, please contact your local sales representative.				
Reason for Withdrawal/Discontinuance:				
This PDN is related to TI's multiyear transition plan for our two remaining factories with 150-millimeter production (DFAB in Dallas, Texas, and SFAB in Sherman, Texas). DFAB will remain open, but will focus on 200-mm production, with a smaller set of technologies. SFAB will close as early as 2024. These changes are part of our multiyear plan to transition certain products to newer, more efficient manufacturing processes and technologies.
