Dear DigiKey:

We hope this message finds you well. We are writing to inform you of an important update regarding our product offering. After careful evaluation, we have decided to discontinue the production and sale of our **C7144X & C7244X Hard Wire Cutters**.

This decision was not made lightly, and we understand that the **C7244X & C7144X** have been a part of your online assortment. However, due to slow sales and demand, we believe that this step is necessary to ensure that we continue to deliver innovative and high-quality products that meet the evolving needs of our customers.

Key details regarding the discontinuation:

Final Order & Shipment Date: We have depleted our inventory and will not open additional production orders, **effective December 19, 2023**.

Support and Warranty: We will honor warranties for the **C7144X & C7244X** for a period of **12 months** from the final shipment date.

Replacement Options: We understand the importance of finding suitable alternatives and our **C7245X and C7145X Hard Wire Cutters** can effectively meet the needs of your customers.

We would like to express our sincere gratitude for your support and loyalty to our brand. We apologize for any inconvenience this discontinuation may cause.
