Product Change Notification: P-24-025664

PCN Date: 25-JAN-24

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Automotive Wire and Cable Products

Description of Changes

TE Connectivity is withdrawing from future IATF 16949 Automotive standard certification requirement and will supply the product to Aerospace quality standard AS9100 only. Our certification body has been formally advised & our current Automotive IATF 16949 2016 certification will expire 25th May 2024. Therefore the change will come into affect immediately post expiry date. Please note: this realignment does not affect procured materials, FFF, or change to manufacturing processes/location as part of this PCN.
