Type of Change:	Location Change	
Change Description:	Amphenol Dongguan China factory plans to develop stamping and plating capability for Airmax VS 4 pair and 5 pair Vertical Header.	
Reason for Change:	As Airmax VS assembly production had been integrated into Amphenol DG factory, to shorten actual production lead time, we plan to develop Airmax VS 4 pair and 5 pair Vertical Header stamping and plating in DG factory so that our production team can better align component and assembly production activity to reach better delivery flexibility.
